

September 2016

Dear Parents:

Welcome to Temple Israel Early Childhood Learning Center. We look forward to getting to know you and your child during this process and are excited to show you the things we believe make the ECLC such a warm and wonderful place for children ages 2-5.

Enclosed with this letter, you will find our admissions application. This completed application is due back in our office by **November 30, 2016**; however you may submit your application at any time. Once your admissions folder is complete and you have participated in a tour, we will be contacting you to schedule a play visit which will help us to get to know your child and your family better.

Please note that our tours are for parents only, we unfortunately cannot accommodate children. On the tour, you will have the opportunity to see the school in action, as well as spend time with our Director, a member of our clergy and a current parent. Hopefully this time together will give you a more complete picture of who we are as a community of learners.

We know that this can be a confusing and stressful process. If at any point, you have questions or need more information, don't hesitate to be in touch with us.

We are excited to embark on this journey with you.

Best Wishes,

Lisa Samick
Director of Early Childhood and Family Engagement

Frequently Asked Questions

How does this process work?

Now that you have the application in hand, you can fill it out and submit it – with your family photo and application fee – at any time. The deadline for applying is November 30, 2016. Once we have your completed application and you have participated in a tour, we will invite your child in with a small group of similarly aged applicants for a play visit in December or January.

Do both parents need to come to the play visit?

We need to meet all custodial parents at some point during the process. So if a parent is unable to attend the tour, they should attend the play visit. Play visits will be scheduled in December and take place in January and February 2017.

What was the tuition for 2016/2017 school year?

Please note that there may be increases in tuition for the 2017/2018 school year.

When will I hear regarding an admissions decision?

We follow ISAAGNY guidelines and will send notifications on Wednesday March 1, 2017. If you are offered a spot, you will need to submit the signed application and deposit by noon on Friday March 10, 2017.

Do I need to become a member of Temple Israel of the City of New York?

Because the ECLC is such an integral part of the Temple community, ECLC families must join the temple if they are not already members. Temple Israel is committed to engaging our families on many levels and offers a wonderful array of varied programming. Our families enjoy countless temple-wide events throughout the year such as Tot Shabbat, our Purim Carnival and children's services on all major holidays. For more information about family programming please visit our website at www.templeisraelnyc.org or call our ECLC at 212-249-5001. We welcome you to check out one of our events in the next few months!
