Dear Mr. Moolani:

Re: Valuation Report Number 561772 - 7/08/12

Congratulations on your Tiffany diamond jewelry purchase. In this folder you will find three important documents to be filed for safekeeping.

As promised, we have enclosed your Tiffany & Co. Diamond Certificate. This document provides the gemological facts that determine the value of your diamond. If you have more than one principal diamond in your jewelry, you will receive additional certificates.

We also include our Tiffany Full Lifetime Warranty. You should know, your Tiffany Diamond Certificate is backed by this Tiffany & Co. Warranty.

Finally, you will find two copies of your Valuation Report. This record details the replacement value of your jewelry. You may want to provide one copy to your insurance company to develop coverage.

In the event of loss or damage you should know that coverage varies among different insurance companies. Not all insurance covers the replacement of lost or stolen items with identically branded merchandise. Many policies state "replacement with like kind" which may mean that your Tiffany & Co. jewelry will not be replaced with Tiffany merchandise. We suggest that you review your policy carefully.

Again, we appreciate your Tiffany purchase. Should you have any questions or require further assistance, please do not hesitate to contact your Diamond Sales Professional or a Customer Relations Associate at (800) 464-5000.

Sincerely,

CL
