Ketubah Worksheet Information

PLEASE READ

**** Please purchase your ketubah on our website before you send us your worksheet ****

The Worksheet requires your names, your parents' names, and the date and location of the wedding (i.e. city) -- in Hebrew and English. Some additional information is required for Orthodox and Conservative ketubot.

If you are not able to provide us with Hebrew names, we will "transliterate" the English names you provide into Hebrew. This means that the English names will be spelled out in Hebrew letters. If you would like us to transliterate a name, please fill out the name in the English section, and check the box marked "TRANSLITERATE."

Print the worksheet and fill it out **neatly in print in black ink** with the required information, then sign the Worksheet and either **fax** or **scan and email** it to us. **Please call us to confirm that we received the worksheet.**

We strongly suggest you work with a rabbi when completing the Worksheet. Your ketubah will be filled in exactly as indicated on your signed Worksheet. Gallery Judaica will not personalize your ketubah without your signature -- and preferably your rabbi's.

YOUR WORKSHEET MUST BE COMPLETE WHEN YOU SEND IT TO US, AS GALLERY JUDAICA CANNOT BE RESPONSIBLE FOR COMMUNICATING WITH YOUR RABBI.

PLEASE NOTE: Transliteration is IMPERFECT. If you ask us to transliterate a name, the Hebrew spelling will be at the discretion of Gallery Judaica. By asking us to transliterate, you are agreeing to accept our Hebrew spelling.

Please allow 4 to 6 weeks for delivery of your ketubah.

Gallery Judaica would like to wish you a hearty "Mazal Tov" --"Congratulations" -- on your upcoming joyous occasion!
