To Whom It May Concern,

It is with great pleasure that I provide this letter of recommendation for Karim Moolani. I have personally worked with Karim at Silver Point Capital for 3 years, and during that time he has exhibited the highest values in business and more importantly as a human being. I was originally impressed by his dedication and integrity, as Karim is an extremely reliable and responsible colleague / friend, and is well likely and respected by those around him. He is hard working and not only dedicates himself to his career, but he is also committed to his family.

I have also gotten to know Karim's wife and kids, and they are engaging, caring and grounded people. You could not find a better family to become tenants in your building. I have no doubt that they will be friendly and considerable neighbors, and will quickly become invaluable members of your community.

Please feel free to contact me directly if you would like to discuss further.

Sincerely,

Paul Alzapiedi
