

We Love Room 325 Because...

A collection from the class of Mrs. Halis, Mrs. Viale, Mrs. Hasicka & Ms. Smith

December 2018

To Our Teachers,

Thank you for providing us with such a wonderful introduction to school so far. Your incredible warmth and dedication has helped to transform us from shy little beings to confident kids, excited to see what awaits us each day. You have supported our triumphs with smiles and cheers and are always there for a hug when we need one. Here is a collection of drawings and words on why we love you and what we love about your class. Thank you for making TENS such a special place!

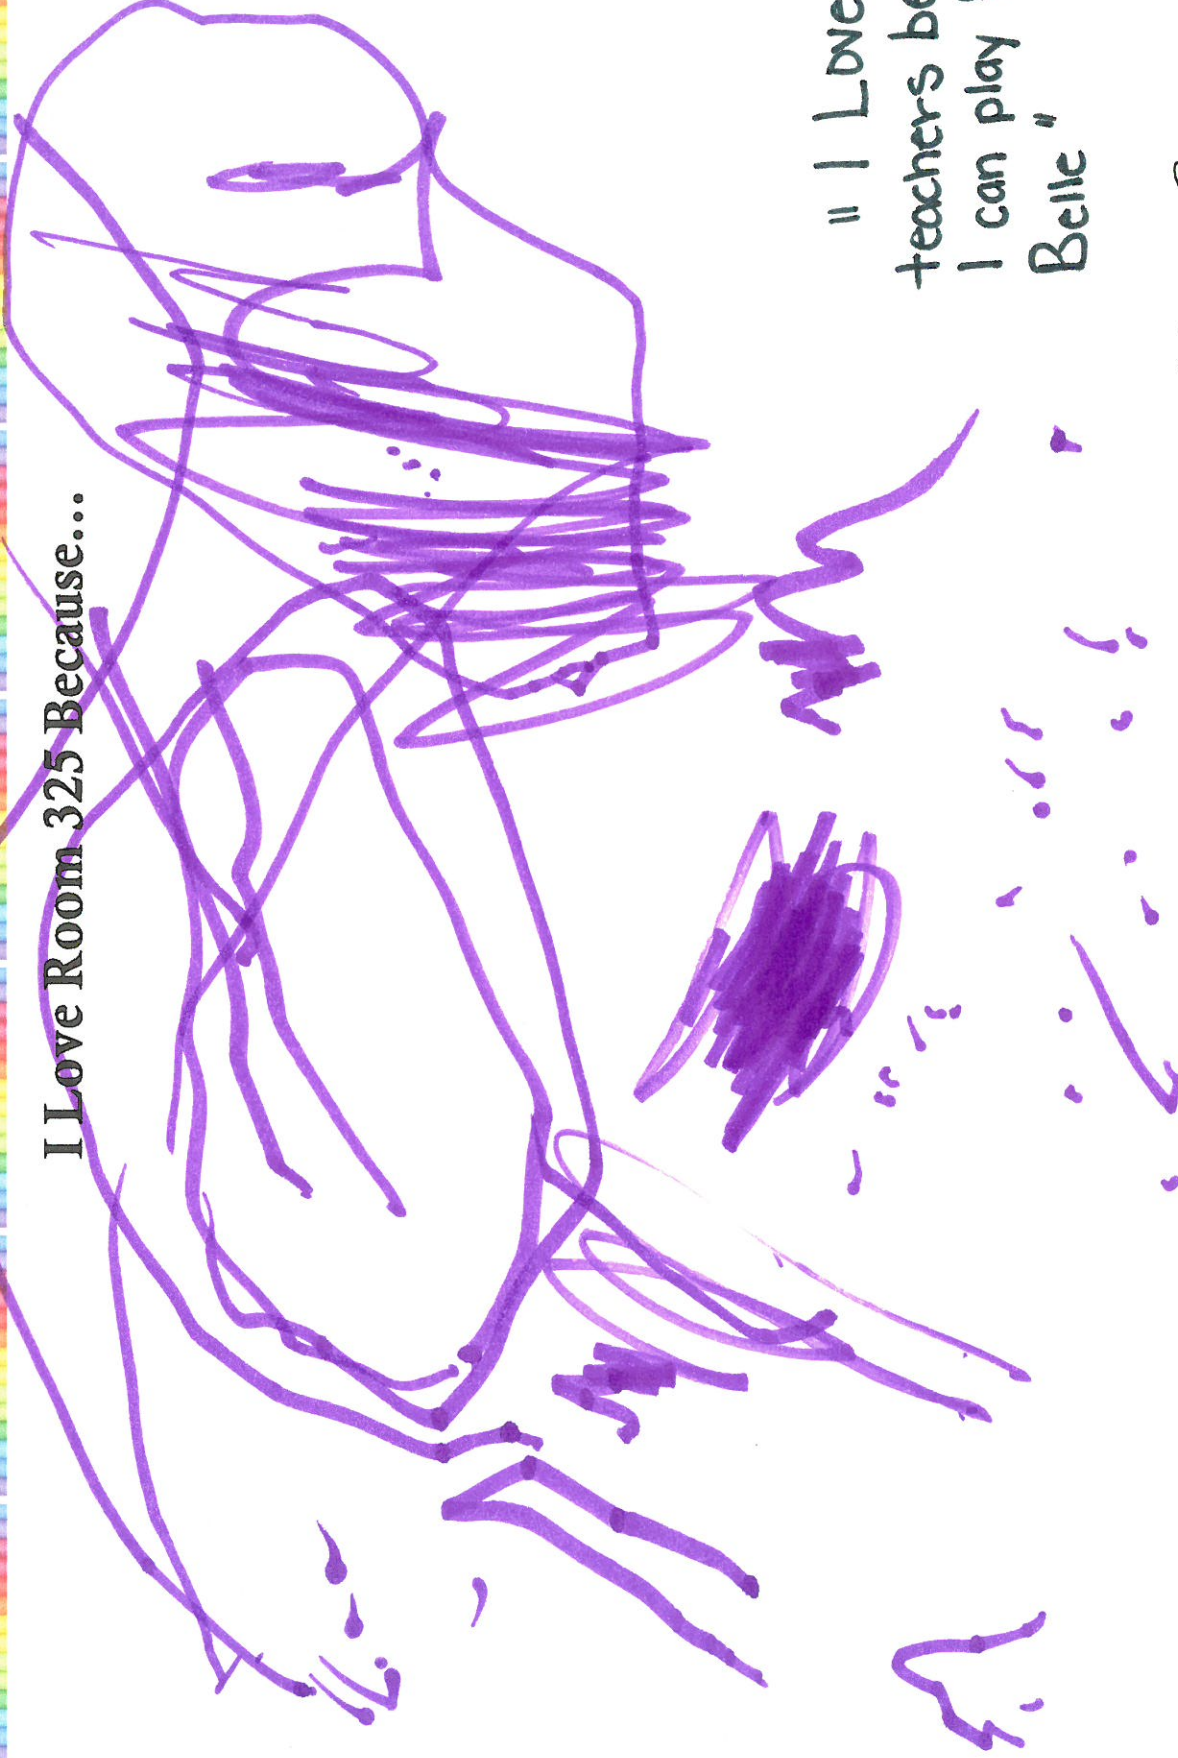

Happy Holidays!

With love and gratitude,

The children and parents of Room 325 M/W/F 2018-2019

I Love Room 325 Because...

I have so much fun playing with all of my friends. I love circle time, playing dress up, playing princesses and taking care of the babies. I also enjoy yoga, playing music with Ms. Young and learning my shapes. Preschool is so fun! Most importantly I love Room 325 because I love my teachers! Mrs. Halis, Mrs. Hasicka and Mrs. Viale are so kind and thoughtful. They are very patient with me and all of my friends, they are loving and encouraging. They have taught me so many new things already but most importantly, they have shown me how to be a good citizen.
